Give customers a warm welcome and create an inviting environment.

Help clients fill up their cars, educate them about different types of fuel, and provide them advice on how to make payments. Make precise cash transactions for things purchased at the convenience shop and gasoline. Make sure gasoline pumps are operating properly by keeping an eye on and managing their operations. Ensure that the convenience store's shelves are stocked and arranged properly.

Maintain accuracy and compliance with rules by routinely updating and checking the gasoline prices displayed on the signs.
